Dear do-group parents,

We hope you are all enjoying your summer holiday. It's already August, which means that the Kick-In is almost there! Hereby an email with some information regarding the Kick-In.

Programme

Unfortunately, we have decided to cancel the Storming of the Bastille after advice from the GGD. We think the safety of our participants and crewmembers is very important, that's why we've decided to cancel this activity. However, we are adding a new physical activity to our programme; silent disco's! During this activity you can dance and party in a safe with your do-group. The silent disco's will take place on the Thursday, Friday and Sunday evening, you have to reserve tickets for your group during the ticket market. Keep an eye on our socials for updates about our programme! Follow us on Instagram (@kick-in.ut) and [Facebook](#). Here we will post updates and information regarding the Kick-In!

Ticket Market

To regulate all the students on campus, you have to buy/reserve tickets for all the physical activities during the Kick-In during the Ticket Market. The Ticket Market will take place on the first evening of the Kick-In, we will explain more about how this works during the do-group parent briefing. Some of the physical activities will be free; Campus Tour, City Tour, Pakkerij Tour, Silent Disco & Sport and Performing Arts Workshops. Other activities will cost a small fee; BBQ on campus, Domino's Pizza Dinner and Twentse Foodhallen Drive through.

Do-group parent briefing

The do-group parent briefing will take place on the **18th of August at 20:00**. Please note that attendance is mandatory and now more important than ever, because we will explain a lot about this new Kick-In and how to participate in it. The do-group parent briefing will take place online, we will send you a link a couple of days in advance.

Extra info and question moment: 5th of August – 17:00

We understand that this whole new programme and Kick-In raises some questions, that's why we are organizing an extra question moment on the **5th of August at 17:00**. (Please note: *earlier than communicated before!*) It's not mandatory to be present! We will give some general information about our programme and we can answer your questions regarding the upcoming Kick-In. You can join this question moment with the following link:

Kind regards,

Kelt Garritsen & Esmay Hammink
Kick-In Committee 2020
