

Sprint Review 3

By Kick-In team 3

What we did

Working MVP

- Multiple keyword search
- Added filtering by dates and is the message read
- Added sorting by date
- Files page (with search)
- Some pages have responsive design

Multiple keyword search

Responsive design

Some pages have a responsive design for Desktop/Tablet/Phone.

Demo

What we are going to do

Work for this and next sprint

- Rank the results
- Actual login with OAuth
- Finish responsive design
- Loading bar
- Mark messages as read
